and strong do they mean.
I laugh for I know,
It's embedded in my gene.**

PREFACE

To the Eighth Edition

Covid-19 came as a bolt from the blue for the whole world. Life came to a screeching halt when lockdown was imposed across the nation on the 24th of March 2020 but for the coaching sector, it started on March 12, 2020. Initially I felt it as a breeze of relief over my exhausted body and soul. I enjoyed staying at home for the first phase of lockdown of 21 days in which we believed we would defeat Corona although I was anxious and sceptic because of the unprecedented leisure I got in life. 21 days ended but the lockdown didn't. Demand for salary, rent and other expenses was tearing me apart. Everyone can relate if I say, "Income stops but expenditure doesn't." This is the period that makes you or breaks you especially when you are the only bread earner of and the only hope for not only your family but many more.

On April 11, 2020, I came on YouTube for live class for the first time and then with great difficulty, I managed to get a smart board in lockdown. My typist CHANDAN PANDIT religiously followed all my suggestions and stood by me throughout the lockdown, typing and designing one after the other PDF. And lo! Here I am with a colourful book of more than 500+ pages after 9 months of gestation.

There is a saying, "Every cloud has a silver lining." 'KD Campus', a means of livelihood for many, came to a standstill in lockdown but I have always been and will always be optimistic and gung ho regarding my work. Life finds its own way and so did my KD Campus. In lockdown, KD Live reached unprecedented towering height and acceptance not only across the nation but also abroad. Today I get calls from UAE, Pakistan, and even Australia. My spoken English classes have gained great acceptance and recognition. Blessings do not see boundaries. They cross guarded fences.

I achieved three things in lockdown. Successful online platform KD Live and two new coloured books, the first comprising the whole English Grammar needed for any objective exam that you can name and the second a very useful book for the beginners 'Spoken English by Neetu Singh'. You can book these colourful books on www.kdpublication.com

Never say die. When life gives you lemons, make lemonade. Every low phase of your life has a hidden opportunity. Struggle, sweat, shed tears, wipe your face and smile and then struggle again. You fall, that's not a problem. You get up, that's an achievement and if you don't, that a blunder.

This book is a coloured dream that I have had during the nightmarish phase of my life. Read it and give your honest review on 8860330003 (WhatsApp). My books Volume 1 and 2 have gained recognition and prominence due to your love for me. Hope you will shower the same affection on this book too.
